STEM BUILDING UPDATE

DEACON MARK IS MOVING

STUDENTS OF THE WEEK

by Myah Howze
Our new STEM lab/8th grade classroom at Our Lady of the Assumption School is looking amazing! They are pouring the concrete this week. We are so excited to have a new building for our 8th grade class where we will be able to do science experiments and STEM projects. Thank you to all who have donated STEM center in order to make this great blessing happen! God Bless!

by Savannah Amori
Big news OLA! Deacon Mark will be leaving OLA and moving to Arizona to continue his faith journey and share his Boston accent with the lucky parishioners at his new church. We will continue to pray for him and his wife, especially for their well-being and safety while moving. When you see him, wish him the best of luck. We will give further updates on his move when we receive them.

Heidi and Victoria Zaknoun
SLE- Life Long Learner
Kindergarten- Isaac Guzman
1st Grade- Maya Hattar
2nd Grade- Kaelynn Jimenez
3rd Grade- Lucio Alvarado
4th Grade- Aaron Virgen
5th Grade- Arthur Johnson
6th Grade- Ryan Phengsi
7th Grade- Juan Garcia
8th Grade- Celestte Fonseca

COMMUNITY PRAYER

by Chase Griffiths

The fires in the West Coast are still spreading, and Hurricane Sally is ravaging the East coast. The good news is that the daily contraction of COVID-19 has slowed down across the US! Hurricane Sally and the West Coast fires are leaving many families distraught due to personal loss, such as their house or family members. We can help those who are involved in these natural disasters by praying for their well-being. We should also continue praying to God for the further decrease of COVID-19 cases. God is still with everyone single one of us. Have a great rest of your week, OLA!

ANNOUNCEMENTS

REMINDERS

by Celestte Fonseca

by Emma Herness

Hello OLA! Here are some special announcements to make your week shine bright!

*The last day for Catechism class registration is on September 17, 2020.

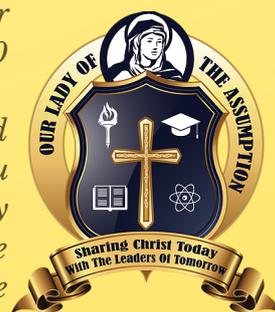

*Catechism classes begin on October 7, 2020.

*Reconciliation will be on Saturday, September 19, 2020 at 6:30pm in the MMC Center.

*Communion service is held in the MMC center on Sunday at the following times: 6:30 pm, 7:00 pm, and 7:30 pm. Be sure to wear a mask!

*Also, Mrs. Long sent the OLA Handbook and Verification page to all of the OLA families. You only need one verification page for each family but, all OLA students in the family must sign the page! Make sure to turn the page in, to earn free dress on Sept. 22nd!

Don't forget! During this difficult time in the world, it is important that we stay active in helping in our community! Food and Mission money drop-offs will be held on Tuesday and Thursday from 2-3pm. Our OLA Student Council takes your safety very seriously, and will make sure that you are able to drop off your donations with the utmost safety precautions. Also, every morning on Monday-Friday, a Rosary is held at 8:05 on the "Tish Godsy" YouTube channel! It is important that we all start our days off in prayer! On Fridays, Student Council hosts Rosary and they always have special announcements, so make sure that you can make it! Thank you for all of your dedication to our wonderful school!
