SAINT OF THE MONTH

by Vivian Doyle
The Saint of the month is St. Francis of Assisi Observances. He was born in 1181 (Italy) and died October 3, 1226. St Francis' feast day is October 4. Francis took care of lepers, preached repentance and the Gospel. He was even a writer and a stigmatist . He lived in complete simplicity and poverty. Because of this, his way of life began to spread and many men joined him.

SLE OF THE WEEK

by Heidi Zaknoun
This week's SLE topic is, "To be a person of faith and compassion, grounded in Catholic teachings." For example, Jesus teaches us to "love our neighbor as we love ourselves!" This teaching means that we are to treat everyone with respect and kindness, no matter who it is! The SLE's are here to guide us on our faith and educational journey, they will always be there for us no matter what!

COMMUNITY PRAYER

by Myah Howze

Whatever you ask in prayer, you will receive, if you have faith." -Matthew 21:22
Know that God has a plan for you and eventually things will get better. God is always there by your side and he will guide you the whole way. We continue to pray for our brothers and sisters who have been affected by COVID-19 and for schools to reopen safely. Thank you for everyone's continuous prayers and God bless!

SISTERS OF MERCY

by Chase Griffiths

The Sisters of Mercy established Our Lady of the Assumption in 1958. Since our beloved Sisters of Mercy were the founders of OLA, they were the main staff and administrators for a few years. The Sisters of Mercy are a reminder for us to give thanks to the people who have made a substantial impact in our everyday activities. The Sisters of Mercy built the school and worked tremendously hard to make OLA the wonderful school it is today! We should all take time out of our day to pray for our Sisters of Mercy and acknowledge them for the work they did for us, especially during this week when we should honor them the most! Thank you, Sisters of Mercy! We would not be the faith filled Catholic school we are today without your continuous support!

REMINDERS

by Savannah Amori and Celestte Fonseca

Hello, OLA! Here are a few friendly reminders to make your Bruin week shine bright! As we said in last week's bulletin, preschool will be opened up on Thursday, Oct. 1st. Mrs. Long will notify parents when Kinder-Eighth grade will resume on-campus learning! While we excitedly await our reopening, please don't forget to attend our OLA school Masses; don't worry, there are many to attend! You can find the date of dates of our Masses on the school calendar. Masses begin at 6pm. Don't forget to wear your mask! Also, if you are unable to physically attend these Masses, they will be broadcasted on Father Rogelio's YouTube channel! Lastly, Father Rogelio's 9th anniversary of being a priest is October 21st! Congrats, Father Rogelio! We are blessed to have you at OLA.
